[DealLens Test Dataset — E-Commerce Marketplace — Version 1.0]

Provider: WebNest Commerce Tech	**Customer:** UrbanCart Retail Pvt Ltd
Effective Date: February 15, 2026	**Contract Value:** INR 1,200,000

1. Project Scope and Deliverables

Provider shall develop a multi-vendor e-commerce marketplace platform featuring buyer/seller onboarding, product catalogues, shopping cart, and third-party payment gateway integration.

2. Delivery Timeline

The complete software platform shall be delivered and deployed to production within **twenty (20) weeks** from the Effective Date.

3. Payment Milestones

The total contract value of INR 1,200,000 shall be disbursed across four equal milestone installments of **25%** upon sign-off of design, alpha build, beta release, and final deployment.

4. Warranty Period

Provider shall provide a bug-fix warranty period of **ninety (90) calendar days** following final production launch.

5. Maintenance Retainer

Post-warranty support shall be billed under an optional annual maintenance contract at **INR 40,000 per month**.

6. Intellectual Property Handover

All custom source code and UI assets created specifically for the project shall be assigned to Customer upon full settlement of all invoices.

7. Hosting Responsibility

Customer shall maintain and bear direct subscription costs for all cloud hosting infrastructure on AWS.

8. Dispute Resolution

Any disputes arising under this Agreement shall be resolved through binding arbitration in Pune, India, under the Arbitration Act, 1996.

9. Governing Law

This Agreement is governed by the laws of India, with exclusive jurisdiction in the courts of Pune.

10. Limitation of Liability

Aggregate liability of either party shall not exceed the total fees paid under this Agreement.
